Dominican Dental Project, Inc. Donation Form

Please make check payable to “Dominican Dental Project, Inc.”

The Dominican Dental Project, Inc. is a very low overhead charity where every dollar raised goes directly to those who need it. It costs about twenty-five dollars per patient to provide the services, yet on average hundreds of dollars' worth of dental care is provided to each individual. In other words, every dollar given is multiplied by a factor of ten or more. For example, a *\$50 donation results in about \$500 in dental care* for these hardworking people.

The Dominican Dental Project, Inc. is a 501 (3) (c) organization so your donation is fully tax deductible. All donations of \$250 or more will receive a written acknowledgement as per I.R.S. regulations. If your donation is less than \$250 the cancelled check will suffice as your receipt.

Send your donation to...

Dominican Dental Project, Inc.
